

Bring JA to Your Community

The Midwest has some of the highest national statistics for replenishing its own workforce with native state citizens. The future of our local economy is being shaped in our local schools.*

Strengthen
the economy through
financial literacy

Educate
and inspire your
future workforce

Develop
real life skills for
success

Next Steps

- Contact JA to explore where JA programs align to your organization's objectives
- Support your community with valuable learning outcomes
- Help Identify funding
- Help develop a sustainable volunteer model
