

JA Sample Customized Company Support Recap & Workplace Giving Information

Subject: Thank You for Supporting Junior Achievement!

Thank you for your ongoing dedication to Junior Achievement. As a JA Corporate Council member, I am proud to report that JAUM completed their most successful year to date, reaching 163,108 students with 1.2 million hours of personal finance education during the 2016-2017 school year. Our efforts made a meaningful difference in JA's work with more than ___ volunteers teaching JA programs to ___ area students. We also provided _____ in financial resources through corporate contributions and event participation.

With increased demand for programs across the region, we will be working to build our partnership so more students can benefit from the JA experience this year. Please don't forget about the opportunity to support JA by designating a gift through our employee giving campaign. Your support can make a significant impact.

- \$500 brings JA programming to an entire class
- \$150 provides an at-risk student a scholarship for JA Summer Camp
- \$50 teaches personal finance to a high school student through JA Finance Park
- \$25 helps an elementary student learn the role people play in a local economy

Read JAUM's [stories of success](#) to learn more. Designated gifts can be made by listing **Junior Achievement of the Upper Midwest, 1800 White Bear Avenue North, Maplewood, MN 55109** on the designation section of this year's pledge form. Questions about designating a contribution can be directed to Tara Lashley at tara@jaum.org.

Thanks again for all you have done to make our partnership with Junior Achievement strong. We look forward to another great year. Together, we can provide the next generation with the knowledge and skills needed to succeed in school and beyond.
