

JA Sample Workplace Giving Newsletter Mention

Subject: Support JA through the employee giving campaign

You can provide young people with the skills they need to succeed in a global economy by making a designated gift to Junior Achievement of the Upper Midwest in this year's employee giving campaign. Simply indicate your gift to Junior Achievement of the Upper Midwest by writing in ***Junior Achievement of the Upper Midwest, 1800 White Bear Avenue North, Maplewood, MN 55109*** on your pledge form. Let JAUM know of your designation so they can coordinate receiving your gift. Read JAUM's [stories of success](#) or email Tara Lashley, Annual Giving Manager, at tara@jaum.org for more information.

Your financial support can help Junior Achievement of the Upper Midwest reach more than 163,000 students during the 2017-2018 school year, motivating them to control their financial futures and be thoughtfully engaged citizens who contribute positively to their local communities. Thank you!
