

Inspire students to succeed
with Junior Achievement.

Junior Achievement helps connect caring adults with young people. As a volunteer, you can help teach real world skills through hands-on, interactive curriculum that is provided and designed to inspire and prepare them for success.

Lunch & Learn

February 1, 2012 | Building A, Room 110C | 7:45 a.m. – 12:25 p.m.

Your skills. Their future.

Come attend our informational session and hear more about how you can get involved and serve as a role model for local students with Junior Achievement.

Join us and learn more.
