

The most important appointment on her agenda.

Junior Achievement connects students with role models to help them succeed in school and beyond. As a volunteer, you can help teach real world skills through hands-on, interactive curriculum that is designed to inspire and prepare kids for success.

Flexible scheduling makes it easy to volunteer

How it works

- Schedule classroom visits directly with the teacher
- Choose your ideal start date, day of week, and time of day
- Visit the classroom on five separate occasions, 45 minutes per visit

Benefits for you

- Flexible scheduling
- Opportunity to develop a strong connection with local students and teacher
- Only 45 minutes per session, so easy to schedule before work or during the lunch hour.
- Easy to reschedule if life gets in the way
