

JA Summer Camp Cancellation Policy

Due to the COVID-19 restrictions, we have made the difficult decision not to hold the June sessions of JA Summer Camp.

We will decide by June 5, 2020, whether the July session of Young Entrepreneur Camp will take place as scheduled.

Those who are registered for the June sessions can either request a refund now or wait to see if there will be an option to transfer to an alternate camp date later in the summer.

So many individuals and businesses have been affected by the COVID-19 crisis, and Junior Achievement is not immune. With children out of school, our experiential learning facility empty, and our fundraisers and summer camps postponed, many of our revenue streams are inaccessible. Please consider **donating a portion or all your camp fees to Junior Achievement** so that we can continue to provide quality educational experiences in the future. Thank you!

For questions or to request a refund, please contact Wendy Patzlaff, Director of Capstone Programs, at wendy@jaum.org.
